

CEDAR MOUNTAIN NEWS FOR THURSDAY 3-19-26

CEDAR MOUNTAIN COMMUNITY CENTER

Our Hunger Coalition food Give Away is Thursday 3/19 from 2:30-4:00 pm at the center.

Our first potluck will be the second Monday, April 13 and the program will be: The Brevard Middle school Interact club. Their presentation is to share the civic projects they have been involved with during the school year and to share how the community can contribute.

The potluck starts at 6pm but you are asked to have your dish or dessert to share on the serving tables by 6:15pm so we can begin on time. Tableware will be available but you are encouraged to bring your own if possible. Come and enjoy the company of your neighbors and friends and bring guests if you choose. Everyone is welcome.

CEDAR MOUNTAIN EASTER EGG HUNT

EGG HUNT • PET A REAL BUNNY • GAMES + TAKE PICTURES WITH THE EASTER BUNNY

Please bring your own basket Sunday, March 29 from 2 - 4 PM. Please arrive by 2:15pm at the Family Life Center at Rocky Hill Baptist Church 10811 Greenville Highway. The egg hunt will start at 2:30PM for all ages!

This year, we will have a Goodie bag for every kiddo who turns in a basket full of eggs! Please RSVP by name + number of kiddos to Sarah 828-808-7210.

Candy donations or small goodie bag favors can be dropped off in the old truck at Cedar Mtn Moonshine anytime at 10754 Greenville Hwy. Text Sarah 828-808-7210. THANK YOU!

APPALACHIAN CULTURE AT THE CANTEEN

The Cedar Mountain Canteen has long been a hub for Appalachian culture. Our jam leaders and performers possess a deep well of knowledge, which we are now sharing through recordings and written words. We invite you to visit us and explore our website to experience the richness of community we offer. Learn more here: <https://cedarmountaincanteen.com/appalachian-culture/>

PANCAKE BREAKFAST A SUCCESS

We had a wonderful turnout for the pancake breakfast at the Cedar Mountain Fire Department last Saturday. It was great to see everyone, including Suzanne and Robert Lawson, enjoying the event along with others.

I want to extend a sincere thank you to the volunteers who helped put this fundraiser together and to everyone in the community who attended. Your support makes these events a success.

AROUND THE HOUSE by Linda Packer Young

We had a good and informative time at the See Off Community Center potluck Sunday night. Food was great and the program very interesting and important. It was about Radon issues and how to test and “cure” the problem.

Radon is a colorless, odorless, and tasteless radioactive gas produced by the natural decay of uranium in soil, rock, and water. As the 2nd leading cause of lung cancer overall and the primary cause among non-smokers and those who have been smokers in the past, it causes over 22,000 deaths annually. It enters buildings, especially basements, through foundation cracks. Testing is the only way to know the radon level, as it cannot be detected by human senses. The region's well water can also contain high levels of radon, which can be released into the air when showering or washing. (We have well water.)

At-home test kits cost about \$10-\$30, while professional testing costs between \$150 and \$300. Mitigation typically costs between \$1,000 and \$1,500.

This is only part of the information that I found and heard, so further investigation is recommended.
